Your Doctor

With all his skill, knowledge of medicine, and acquaintance with the peculiarities of his patients, must depend largely on the druggist; if the medicine is faulty in any respect the patient is robbed of benefit. Every prescription compounded by us is just as the Doctor orders it. The ingredients are fresh, of the best quality, and properly prepared. Telephone at any time and your order will be promptly called for, filled and delivered without extra charge.

INTRODUCTION

In all large cities of the United States and Europe polite people and the refined class in the community are selected under a close and careful scrutiny, and their names, addresses, and Reception Days are placed in what is known as the BLUE BOOK. So wide spread and universal has this custom become among refined people that the BLUE BOOK is recognized as a necessity in genteel society, and these selected lists are really published at their behest. For the past ten years we have issued annually these alphabetically arranged names of the leading families under the title of OUR SOCIETY BLUE BOOK. This difficult, responsible and arduous task has been accomplished with the valuable assistance rendered us by leading society people.

No expense or labor has been spared to make the work accurate, reliable, and a correct reference to those at home and abroad, and to those who move in the most respected and refined circles. It is a personal gratification to know that our work has been highly commended in all the Eastern cities, and on the Continent, as well as among those who belong to the literary and social clubs, and men of affairs in business.

On a close examination it will be found that the BLUE BOOK for 1897-98 has attained the highest standing in all its scope and information, and we are confident that a close and careful perusal from those who are critics will pronounce this edition in its arrangements, typography and careful selection of names is far superior to former editions, and should be a pride to the people of this metropolis.

St. Hubert Tonic Port

IS the only Port in the world made from a ferruginous soil, by a process originated by Capt. J. Ch. de St. Hubert, after many years of study and experiment. This is the only Port suited to a weak, dyspeptic stomach and weakly people. It does not constipate, as ordinary Port does.

It is a Natural Restorative Of Wonderful Power

Its action is prompt and continuous. It stimulates the appetite and digestion. It promotes assimilationand a healthy circulation, AND IT ENTERS DIRECTLY INTO THE PRODUCTION OF THE BLOOD CORPUSCLES.

The most sensitive stomach will accept it. It is, in fact, a permanent cure for a weak stomach and poor digestion, dyspepsia, all conditions of debility, lack of strength and tone.

SAN FRANCISCO

Street and Avenue Guide.

To the Residence Portion of the City of San Francisco.

Explanatory.—On any street the relative location of any house in the residence portion of San Francisco is found by running down the column of figures, which are the numbers at the crossing of streets that intersect it. For example, to find 1820 Pine street, it will be seen that it is between Gough and Octavia, and on right hand side (all even numbers being on right hand side, commencing from Market street). Again, 1719 Jones is eighteen blocks from Market, between Broadway and Vallejo; it being an odd number, is on left side of street.

NOTE.—Each block is allowed 100 numbers. The cross streets which have no bearing on numbers have been omitted. The *even* numbers *only* are shown, the *odd* numbers being on opposite side of the street.

Auditorium Hotel
Breslin & Southgate
Chicago, March 12th 1896

Messrs Sherman Clay & Co
San Francisco Cal

Dear Mr Sherman;

I consider it a most pleasant duty to thank you for all the kindness and attention you have shown me during my visit in San Francisco. It is almost useless on my part to say anything in praise of the magnificent Grand Piano you furnished me at the Hotel during my stay in your city; it was a "Steinway" and that says everything, But I wish to draw your particular attention to the new style upright Piano, which I used during my Southern tour in my private car. It is a marvel! In touch and tone it stands unsurpassed by any Parlor Grand Piano.

With kind regards

believe me,

Yours very truly

I J Paderewski

The reason why "AMERICAN" biscuits give more satisfaction than any other brand, is because they are made better than other brands. * * "AMERICAN" biscuits are an honest Californian product, carefully prepared by competent bakers from pure ingredients. * * * * * * * Particular people prefer them. * * You can't get better anywhere. You won't usually get as good. * * * * Biscuits which cost less are generally worth less. Forty-five years of fair-dealing back up the "AMERICAN" brand. * * * * * * * * * 350 different biscuits are made for all tastes and occasions: only one kind — the good kind. Highest award always wherever exhibited.

W. F. Deitemeier

....Piano Manufacturer

THE evolution of the piano from the thin squeaky instrument of two hundred years ago to the magnificent instrument of to day, affords an interesting study. Men have devoted years of their time and genius to improve this great instrument, and the result of their labors is to be found in the multitude of pianos of all grades and varieties. It is pleasing to note that there is one manufacturer in San Francisco who can justly claim to produce the finest piano made on the Coast, and one which is, in many respects, the finest in the world. Mr. Deitemeier was for many years with Steinway & Sons of New York. Under this firm he served his apprenticeship, learning to construct the various parts of the piano, and also learning to tune it and varnish it; in other words, not only to make it out and out, but how to keep it in thorough good order. He is located at

2257 MISSION STREET

Where he has a modern factory, fitted out with all the requisites of his business. He has for many years labored to make improvements on the modern Piano, and we are now pleased to be able to say that he manufactures a piano which is, in some respects, superior to all others. For beauty and sympathy of tone, expression and general excellence the Deitemeier Piano has no equal. It has been tried and tested, time and again, by our most celebrated local musicians, and one and all agree that the Deitemeier Piano stands without a rival. Mr. Deitemeier is always to be found at his warerooms, 2257 Mission Street, where he carries a full stock of his magnificent instruments for the inspection and criticism of the public. He has already built up a large business among our best families, all of whom prefer the Deitemeier Piano to any other make. We strongly recommend our readers to call on Mr. Deitemeier and give his piano a careful inspection before buying elsewhere.

KNOWLEDGE

brings comfort and improvement, and tends to personal enjoyment, when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy

SYRUP OF FIGS

Its excellence is due to its presenting, in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative, effectually cleansing the system, dispelling Colds, Headaches and Fevers, and permanently curing Constipation. It has given satisfaction to millions, and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them, and it is perfectly free from every objectionable substance. Syrup of Figs is for sale by all druggists in 50 cent bottles, but it is manufactured by the **CALIFORNIA FIG SYRUP CO.** only, whose name is printed on every package, also the name Syrup of Figs; and, being well informed, you will not accept any substitute if offered.

St. Hubert Tonic Port

IS the only Port in the world made from a ferruginous soil, by a process originated by Capt. J. Ch. de St. Hubert, after many years of study and experiment. This is the only Port suited to a weak, dyspeptic stomach and weakly people. It does not constipate, as ordinary Port does.

It is a Natural Restorative Of Wonderful Power

Its action is prompt and continuous. It stimulates the appetite and digestion. It promotes assimilation and a healthy circulation, AND IT ENTERS DIRECTLY INTO THE PRODUCTION OF THE BLOOD CORPUSCLES.

The most sensitive stomach will accept it. It is, in fact, a permanent cure for a weak stomach and poor digestion, dyspepsia, all conditions of debility, lack of strength and tone.

POMMERY SEC.

The firm of Veuve Pommery Fils & Co. now consists of the following members Louis Pommery, Henry Vasnier, the experienced directeur, and the Comtesse de Polignac. It is owing to the conscientious efforts of the management to produce a high-grade champagne of uniform quality. regardless of cost, that Pommery Sec occupies the elevated position it now holds among connoisseurs, prominent among whom is the Prince of Wales.

At the recent public wine sales the following were the prices obtained for cases containing 12 bottles:

Pommery Sec. - -	83 to 89 shillings.
Moet & Chandon - -	77 to 82 shillings.
Veuve Clicquot - -	77 to 82 shillings.
G. H. Mumm - - -	72 to 77 shillings.

Tourists to the Continent of Europe also observe the higher price which Pommery invariably commands at the better hotels and resorts.

Hotel Del Monte

A SUMMER AND WINTER RESORT

Tavern of Castle Crag

A NOTED SUMMER RESORT

Hotel Del Monte

Few great watering places are called upon to adapt themselves to the vagaries of seasons, such as are implied in the proud distinction, "Open all the year round."

Hotel Del Monte is one of the few, and admittedly the leading one of the world. It is so favored by nature that it is always attractive, and its varied social hues from one season to another are a most interesting study.

The holiday season, when many great resorts are buried in solitude, snow, and like forbidding environments, is exceptionally brilliant at Del Monte. The first society of neighboring cities and some from abroad assembles there for a week or two of delightful festivities.

The weeks that follow, far into the Spring, witness a lively flow of Eastern and foreign visitors, many of whom have come to regard Monterey as the mecca of their annual pilgrimages.

In summer, when all California goes outing, Del Monte is the refuge of hundreds of society devotees who seek restful quiet—and for just the rest that is most refreshing and beneficial no place could be better suited. The atmosphere is pure and balmy, and there is much to entertain that does not fatigue.

Autumn at Del Monte is anything but sombre. Its early rains have cleared the air and settled the dust on its beautiful drives. Coaching and lunch parties, and other forms of out-door recreation are of almost daily occurrence.

But Del Monte is always a paradise, whether in winter or in summer, and its seasons differ from each other only as one star differs from another in glory.

Tavern of Castle Crag

The Tavern of Castle Crags is a mountain resort pure and simple, but enjoys the enviable reputation of being the leading one of its kind in the West. Being under the same ownership as Hotel Del Monte it naturally follows that only the best is considered in its maintenance, and visitors are always assured of first class entertainment.

Its location is one of its foremost charms. It is one thing to be merely in the mountains, but it is quite another thing to be in the great Shasta mountains comfortably housed at the Tavern. When the builders selected the site it was not merely with reference to room for hotel and grounds, but quite as much with reference to picturesque surroundings and convenient communication with neighboring attractions. With the frowning Crags on one side, majestic Shasta on another, and the entire surrounding scene a panoramic succession of nature's sublimest moods, at first it palls on the senses, then it excites awe, and soon one's whole attention is absorbed in wonder and admiration. The scene never tires and never grows commonplace.

The builders have beautified the immediate surroundings surprisingly and made comfortable trails to a great many points of local interest in the vicinity. Resorts of note, first class hunting and fishing, and mountain climbing to suit any taste are within easy reach. Excursions to Mt. Shasta are frequent, and the ascent of the precipitous Crags is quite the thing.

The Tavern itself is a creation of rare interest. It is so roomy and cheerful, and there is such an easy, comfortable presence about everything. It is open about four months during the summer, but a taste of life in the Shasta mountains under such delightful conditions is ample reason for its existence.

Hotel Wentworth

It is an absolute fact that there can never be a surplus of first-class family hotels, for the very simple reason that there are so extremely few which come up to the standard. Anyone who attempts to conduct such a hotel usually falls into one or two extremes. It either becomes too exclusive, and the rates so high as to become prohibitive to the really desirable class of people of limited means, or there is too little care taken in the selection of the guests. This reproach cannot apply to the Hotel Wentworth, for it is essentially a family hotel. Its patrons are of the most desirable. It has all the conveniences and none of the discomforts of the modern home, and its rates are reasonable when the excellent accommodations and splendid table are taken into consideration. It is situated in a pleasant part of the city, on a lofty elevation, which commands a splendid view of miles and miles of the most beautiful land and water scenery in America, the sewerage is consequently excellent. The Wentworth is a new house, but has been recently refitted from top to bottom, and its 125 rooms are provided with the most excellent plumbing, and also with every convenience and modern accessaries. The line of street cars which pass every few minutes, give transfers to all parts of the city, north, south, east and west. The Wentworth has already become noted for its excellent table, the rule of its proprietor being to provide all that is best of every thing. To the tourist who is only making a limited visit to San Francisco, or to those who desire a genial and homelike atmosphere we alike commend the Wentworth. Mrs. M. W. Newman, the proprietor, has had years of experience in hotel keepng. We would here mention that she is the sole owner of the hotel, in addition to being its manager, and she therefore pays the greatest attention and keeps all the rooms in the most exquisite order. Those at home or abroad who wish to find a most desirable place or residence will do well to call on or correspond with Mrs. Newman, 617 Bush Street, San Francisco.

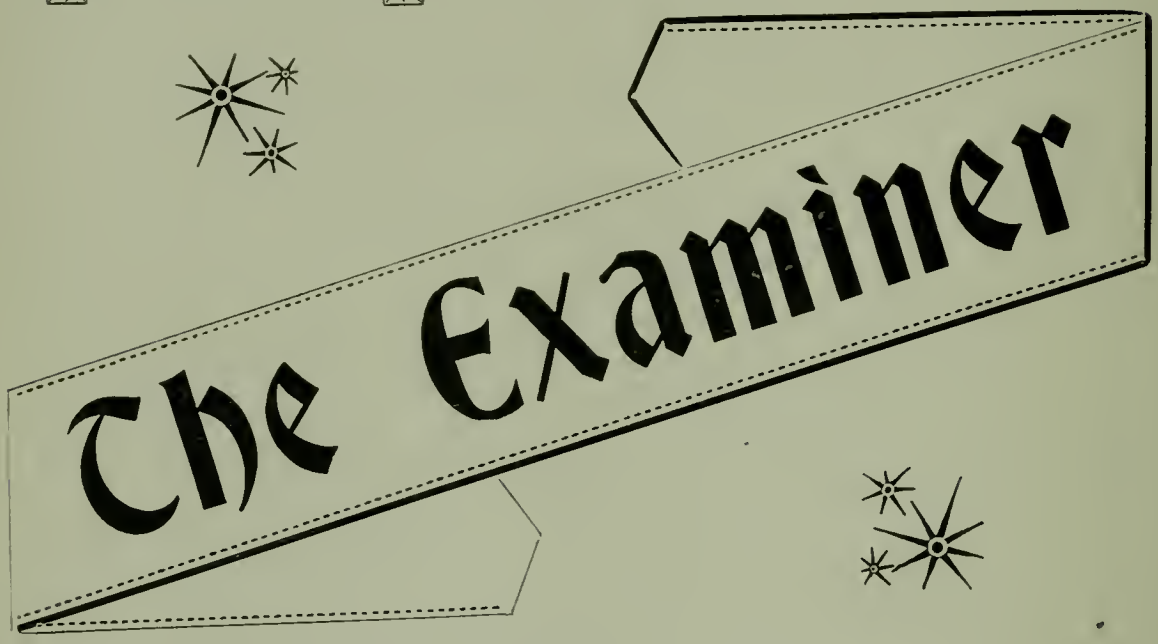
The Value of Advertising depends upon two things:

The class of people who read the announcement,

AND

The circulation of the medium through which it is made.



Submits for your consideration *two facts*—

FIRST—That it reaches the great buying class of San Francisco and the Coast—the live enterprising people who read advertisements and take advantage of the offerings made by advertisers.

SECOND—That its circulation exceeds that of any other San Francisco daily paper by at least 12,000 to 15,000 copies per day.

These are simple propositions, both capable of demonstration, and together worth your most careful consideration. Though "The Examiner's" advertising rates appear to be high, the fact that the paper reaches the people, and more of them than any other medium, and that the class of people reached is the buying class, renders it the medium *par excellence* for the retail dealers of San Francisco.

The Recognized Authority on Society, Dramatic, Insurance, Financial, Fashion and Commercial Matters.
